Secretariat of the Government of Karnataka,

Vikas

Soudha, Dr. B.R. Ambedkar

Veedhi, Bangalore, Date: 22.05.2026

Notification

Till now, notifications were issued for 81 scheduled industries under Section 5(1) (a) and 5(1) (b) of the Minimum Wages Act, 1948, fixing/revising separate wage rates. In the year 2022-23, notifications were issued for a total of 34 different scheduled industries, increasing the rates by 5 to 10 percent in addition to the minimum wage prevailing during the said period.

The All India Trade Union Congress (AITUC) Trade Union Union has challenged the said notifications in the Single Judge Bench of the Hon'ble Karnataka High Court in Writ Petition No.: 13103/2023 and other cases. The Hon'ble Court has quashed the said notifications in its judgments dated 26.9.2023, 10.10.2023 and 12.10.2023 and directed that the minimum wages be calculated and fresh notifications be issued following the guidelines given by the Hon'ble Supreme Court in the case of Me|| Re Cos Brett and Co.,.

Challenging the judgments of the Single Judge Bench of the Hon'ble High Court, various administrative bodies filed an appeal before the Division Bench of the Hon'ble High Court. In the said appeal case, the Division Bench of the Hon'ble High Court, in its judgment dated 13-12-2024, quashed the order of the Single Judge and remanded the case to the Single Judge for further hearing.

While the matter was pending before a single judge, the State Government revised the minimum wage rates for 99 occupations and issued a new draft notification on 11.04.2025. In view of the differences in the sector-wise and skill-wise wage rates in various Scheduled Industries and with the intention of ensuring equal minimum wages for all categories of workers, in lieu of issuing separate notifications for Scheduled Industries earlier, on 11.04.2025, in exercise of the powers conferred on the State Government under Sections 3(1)(b) and 5(1)(b) of the Minimum Wages Act, 1948 (Central Act: XI), a uniform draft notification was issued and a period of 2 months was given to submit suggestions/objections.

In view of this development, the court disposed of this case by order dated 16.04.2025 and ruled as follows:

"The petitioners, who have asserted certain cause, want the petitions to be dismissed in the light of the Draft Notification which is issued. The final Notification will have to be issued by the State Government after due process and if there is any cause with such final Notification being issued either in the petitioners or the respondents, they will have to be at liberty to work out their remedies. This, however, cannot be a reason to continue

the petitions on the board of this Court or make any particular observation, and hence, the petitions are disposed of."

The Hon'ble High Court has directed the State Government to issue the final notification after due process. This due process includes receiving objections, placing them before the Karnataka State Minimum Wage Advisory Board and sending its recommendations to the State Government before issuing the final notification. This judgment of the Single Judge of the High Court has been accepted by all the parties - trade unions, State Government and employers. It has taken final form.

As per the direction of the Hon'ble High Court judgment in Me|| Rusyakos Brett & Co., case, there are no obstacles at this stage to revise the minimum wage rates of workers as per the criteria, the Government has decided to revise the minimum wage in the light of the above-mentioned judgment of the Hon'ble Supreme Court and has received suggestions and objections from employers, industrial heads and trade unions to the Single Notification issued on 11-04-2025. The opinion of the Minimum Wages Advisory Board was sought in relation to the said objections and suggestions, and the Minimum Wages Advisory Board discussed the same on 29.07.2025 and 28.08.2025 and submitted the views expressed in the said meeting to the Government for further action.

ಈ ಮಧ್ಯೆ ಕೇಂದ್ರ ಸರ್ಕಾರವು 6: 21.11.2025 O 3 2019 (Code on Wages, 2019) has been implemented. The relevant part of section 69 of the Wages Code, 2019 is as follows.

69. (1) The Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976 are hereby repealed.

(2) Notwithstanding such repeal, anything done or any action taken under the enactments so repealed including any notification, nomination, appointment, order or direction made thereunder or any amount of wages provided in any provision of such enactments for any purpose shall be deemed to have been done or taken or provided for such purpose under the corresponding provisions of this Code and shall be in force to the extent they are not contrary to the provisions of this Code till they are repealed under the corresponding provisions of this Code or by the notification to that effect by the Central Government.

(3) Without prejudice to the provisions of sub-section (2), the provisions of section 6 of the General Clauses Act, 1897 shall apply to the repeal of such enactments.

Further, Section 6 of the General Clauses Act, 1897 reads as follows:

"6. Effect of repeal.— Where this Act, or any Central Act or Regulation made after the commencement of this Act, repeals any enactment hitherto made or hereafter to be made, then, unless a different intention appears, the repeal shall not—

(a) revive anything not in force or existing at the time at which the repeal takes effect; or

St. Tulari

22/5-

(b) affect the previous operation of any enactment so repealed or anything duly done or suffered thereunder; or

(c) affect any right, privilege, obligation or liability acquired, accrued or incurred under any enactment so repealed; or

(d) affect any penalty, forfeiture or punishment incurred in respect of any offence committed against any enactment so repealed; or

(e) affect any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture or punishment as aforesaid; and any such investigation, legal proceeding or remedy may be instituted, continued or enforced, and any such penalty, forfeiture or punishment may be imposed as if the repealing Act or Regulation had not been passed".

What is clear from these legal provisions is that the steps of the government - issuing the draft notification, receiving objections to it, hearings before the Karnataka State Minimum Wage Advisory Board, etc. - have all been saved and there is no obstacle to publishing the final notification. It is clear that this is the culmination of a process that began only in 2022 and keeping in mind that the final notification will come after two years and taking into account inflation, the need to include variable dearness allowance for these two years has been considered.

Therefore, the Government has considered the suggestions and objections received from employers, industry and trade unions on the Single Notification issued on 11-04-2025 (Central Act: XI) in exercise of the powers and the views received on 29.07.2025 and 28.08.2025, under conferred on the State Government and has revised the Minimum Wages Act, 1948 Sections 3(1)(b) and 5(1)(b) to be applicable. The Minimum Wages Rates shall be applicable with immediate effect.

The calculation of dearness allowance shall be made once a year. It shall be calculated on the first day of April every year on the basis of the average of the Consumer Price Indexes for the twelve (12) months of the previous calendar year.
